They aren't teaching that you fight for liberty and freedom anymore.

Never forget that we are fighting against the party that booed God at their own convention..

When you realize that, you'll understand what we are fighting for in November.

They hate YOUR President
They hate YOU
They hate YOUR God

If you don't agree with them, they hate you!

When you debate liberals remember a few key ingredients..

They support Maxine Waters.... Chuck Schumer... Nancy Pelosi.... Elizabeth Warren.... Adam Schiff...

While trying to question the sanity of President Trump..

We lost a true comic genius in the death of Carl Reiner. He was genuinely funny and knew how to make people laugh with poisoning the well with misplaced political rhetoric. Our condolences to his son. Perhaps he will see the light, and follow his father's example

It's awesome watching all of these PUNKS being arrested for trying to destroy our statue of the Great Andrew Jackson in Washington, D.C!

Good Job to our rank and file, and thank you President Trump for pushing for JUSTICE and LAW & ORDER!

Where is Fox News, CNN, MSNBC, OAN, any of them when it comes to all of the Sex Trafficking busts under the Trump Administration..

None of them on either side have the testicular fortitude to touch it..

Why did Ghislaine Maxwell reb return to U.S.?

Feels off to me especially as charges against her go way back to the 1990's.

Epstein technically died while in Trump/Barr custody. Not sure if you know this but they are the current POTUS and AG. It's not like Trump doesn't have his connections to Epstein and now Maxwell. I say lets find out what she has to say.

Neil Cavuto bearing the fear Mongering wear a mask drum...

The studies show that masks don't work... Even the N95 doesn't fully protect you and it's the only one that does protect some..

Cavuto has fully joined the Anti American left. He cites NO conclusive evidence other than "cases are rising" and refuses to acknowledge that there are 100 different reasons, other than not wearing masks, that explain the uptick better. Rioters are the more likely explanation!

Yes! We need more tradesmen! People who know how to make things. Build things and repair things. College is a waste of time and students are actually coming out of them knowing LESS than when they went in! And then they have so much debt they are practically indentured servants

To show you how ignorant the left truly is, they are celebrating John McCain possibly leaving the United States Senate..

They're so brain washed, they don't realize he's been on their side for decades against the American People and backing the radical left.

We went to Lou's City Bar, The Wonderland Ballroom, The Best Buy, CVS Pharmacy, and countless others on Irving Street.

They all told us the same thing. Washington, D.C. Metropolitan Police never asked for ANY Video the night he was murdered.

I get what your saying, but that's dangerous territory. Antifa thugs are looking for a fight and don't have the pride to play fair. Its a time when you can invade someones home wearing all black and a mask and be called a 'peaceful protester'

Let the police do their jobs

I hope you're praying for the people she infected with Covid-19 too. Although, SHE may not get sick some of those people very likely will! In fact there's a very good chance her recklessness will kill a Black or Latino person
You know, the people Trumpers DON'T care about.

Don't expect those of us who know our constitutional rights to stay home & wear masks while you in government turn a blind eye to protesters & rioters and allow them to run amuck.

This is coming to a head, & you will not like the way it turns out if you keep pushing Americans!

Thomas Lynch Jr. signed the Declaration of Independence..

Was a 3rd generation rice grower.. His health failed, he set off for France to get healthy and negotiate, his ship never made it..

He also gave the Ultimate Sacrifice.

John Hancock, signer of the Declaration of the Independence one of the wealthiest men in New England

Stood outside Boston one terrible night of the war & he said "Burn Boston, though it makes John Hancock a beggar, if the public good requites it."

He too lived up to the pledge!

Less than 24 hours after Wikileaks Founder Julian Assange mentioned the name Seth Rich, The DNC hired professional crisis fixer Brad Bauman to represent the Rich Family.

We're sure this is just more "conspiracy" nonsense

Where the heck is Separation of Church & State in CA? Newsom should not be making EO's regarding Religion. The man is anti-God and has no business telling any Religion what they can and cannot be doing.

According to Joel Rich, Seth Rich was on the phone many times that night.

The only problem is that Joel Rich was told this information. This isn't Joel's fault, but he's being deceived by those around him.

Joel never had the cell phone records..

Others did.

If you go off of what Joel told the Media, and what he was told, it goes like this.

Seth Rich made several calls and received several call the night of his murder. Or early morning hours, however you want to look at it

He received one call that lasted about 12 minutes

How low and despicable for the President of the United States to falsely accuse Bubba Wallace of perpetuating a hoax. The garage pull looked exactly like a noose and someone else at NASCAR reported it to the authorities on behalf of Bubba. He wasn't even the one who reported it.

Why, if they are elected to vote per the electoral college are they even given the chance to cheat???? Why is their vote not cast automatically? Our system is beyond fucked up

But hypothetically, the Elector's vote would count as cast, right? It just affirms punitive measures afterward?

Thank you — that's my question too Some articles are saying states can "enforce" the elector's pledge Would that make the vote invalid?

Masks are a little too "playtime" for my liking. Never certain of the rules as they seemingly keep changing. Besides, do people realize that viruses, especially small ones like Covid, are able to enter through the eyes? Where are my safety goggles?!?

President Trump has done nearly everything right in his pandemic response.

✓ Early Flight Ban From China
✓ Ventilators & PPE distributed
✓ Early Flight Ban from Europe
✓ Promoted effective treatments

The issue in the response has been with individual state governments.

Both are terrible, but you refuse to ask questions about 58 murdered in Las Vegas..

First of all, Joe Biden has not made a single comment saying he doesn't want to open schools in the fall

Secondly, schools don't open for another 1-2 months, so we have no clue how bad COVID will be by then

You want to open schools no matter how much risk our kids face

Our children's lives are not worth your re-election.

It's not just our kids you have to think about. It's their parents, grandparents, baby sitters and teachers as well. How will you find substitute teachers willing to teach a class that has an outbreak? We need answers!

It seems McCabe, Brennan, Comey, etc., etc. danced to Hillary's music. When she said "Jump!" they said, "How high?" Now that she's lost her wherewithal they don't know what to do with themselves. They're scared. What goes around ALWAYS comes around. We wait with bated breath!

It sure is strange how no one in the Democratic Party ever mentions the name Seth Rich?

They never cry out for Justice for Seth Rich?

They've cried about a lot of incidents in America recently, but never for one of their own?

Do you believe that Seth Rich was the victim of a botched robbery?

Wallet, Keys, Credit Cards, Cash, Watch, Necklace, Phone, nothing taken at 4:20 AM

If it was a botched robbery, why did Police get a search warrant at 9AM 3 hours after he was pronounced?

Thought [they] were still working on and testing the vaccine. How'd the media get a vaccine already? Starting to look more like a PLANdemic and they were given "protective" vaccines.

Why was Washington, D.C. Metropolitan Police calling the DNC when a lead came in, instead of the family..

Teams rarely up for sale. It's also very hard and expensive to own the majority Two POC currently own Buffalo and Jacksonville. An African American group has put in a request for team in Oakland. Teams also rarely leave family ownership. It's not race it's money.

There is also no African American ownership in the #NFL!! Now,why is That! Give that some serious thought.!

dave jones @DaveThreed · 9m
Teams rarely up for sale. It's also very hard and expensive to own the majority. Two POC currently own Buffalo and Jacksonville. An African American group has put in a request for team in Oakland. Teams also rarely leave family ownership. It's not race it's money.

Don Lemon claims that BLM is only about police brutality. No it's not! Their goal is to disrupt the family structure where children are no longer raised in a two parent home & they're trained marxists, pushing for communism. Sounds like another agenda to harm black lives!

Not Lemon is not very good with nuance. Whilst black lives matter, as do all lives, BLM is not about that at all.

Not only did Don Lemon repeatedly cut off but he lied on camera... he said black lives matter was about police brutality but according to their 2020 campaign, that's only a small part of it

Campaign Focus

BLM's #WhatMatters2020 will focus on the following issues:

- Racial Injustice
- Police Brutality
- Criminal Justice Reform
- Black Immigration
- Economic Injustice
- LGBTQIA+ and Human Rights
- Environmental Conditions
- Voting Rights & Suppression
- Healthcare
- Government Corruption
- Education

If Seth Rich were to walk from Kelsey Mulka's house to his home back over on NorthWest in D C it's about a 1 7 Mile walk

The Walk from Lou's City Bar to his home, about 1 8 Miles.

Spoke to cab drivers and others after midnight who said they wouldn t walk it at that time

Walking to Seth Rich's house the most feasible way on foot/bike or Car for that matter due to construction during that time..

The most important thing we can do to re-elect President Trump is register new voters.

I've created a guide, which teaches you how to register voters.

Happy to share it.

Interesting fact about this picture is that seth was shot in the SW corner of the intersection. Logical assumption would be he was heading home from either the west or south, not from the north (lous or wonderland)

Mccabe's Porsche on blocks @Larry_Beech · 24 Feb 2018
And what many have never noted is at the time of the murder the intersection of w st and first was blocked with water project construction. So if seth was leaving somewhere due south or just southeast of his house, he might have chosen this route to avoid the construction

We have the largest number of cases in the world, thanks to Trump's mishandling of this virus, every step of the way. We have more deaths per capita than most developed nations, and many developing nations. This has not been a success no matter how hard you try to gaslight us.

Mrs. Krassenstein @HKrassenstein · 11 ನಿ

We have 9,187 cases per 1 million people. We have tested 115,000 per 1 million people.

To compare, the UK has 4,209 cases per million and have tested 156,800 people per million.

So far 548,443 have died of COVID-19. In 2010, 585,000 died of malaria. My point is we should all be wearing mandatory mosquito nets Tom! "It's the absolute least you can do, and if you don't wear one I have zero respect for you."

Would love to, Matt. Only allowed to sent a 400 word email which will be entered into minutes of the council meeting along with my name and address. Tried to contact my County Council rep. Got a very empathetic secretary. Texted Josh Hawley but he had bigger things 2 take care of

Says HRC hired GMaxwell's (aka JizzMaxx) nephew in Bureau of Near Eastern Affairs - ie Libya/Syria/etc

Problem: This info needs to be validated (imo), bc "2020" (you know what I mean?)

Anyway, it's worth the effort... twitter.com/robcounts/stat ...

worked directly on the Arab Spring, and Hillary sent Alex as the US representative to the expatriate rebel groups Friends of Libya and Friends of the Syrian People.

In other words, Hillary put the inexperienced son of one of her donors in charge of handling two of the biggest foreign policy debacles of the Obama administration: Libya and Syria.

What's this have to do with the Clintons' connections to Jeffrey Epstein and Ghislaine Maxwell? Everything.

In Germany, Denmark, Norway, Sweden and many other countries, SCHOOLS ARE OPEN WITH NO PROBLEMS. The Dems think it would be bad for them politically if U.S. schools open before the November Election, but is important for the children & families. May cut off funding if not open!

The Democrats Memo was put out ON PURPOSE so that they would have to redact information. I can't say it any simpler or more understandable than this. Adam Schiff did this so he can scream to all of the Little Sheep "My Memo's Redacted" like a Toddler who spit up his applesauce.

Trump's military parade will cost millions upon millions of tax dollars. Why would fiscal conservatives support spending that much money on a parade that, honestly, has terrible optics for the WH? This, at a time in which elected officials can't even agree on how fund our gov't

The GOP pulled out every trick to block Obama's agenda; and he wanted to increase healthcare and help people! Why shouldn't the dems do the same to a guy who packed his cabinet with Goldman Sachs, is deregulating important consumer safety regulations, and is cutting tax 4 the 1%?

The Supreme Court sends case back to Lower Court, arguments to continue. This is all a political prosecution. I won the Mueller Witch Hunt, and others, and now I have to keep fighting in a politically corrupt New York. Not fair to this Presidency or Administration!

This my friends is the epitome of tyranny, and how it's done.

For the 1/100th time, the reason we show so many Cases, compared to other countries that haven't done nearly as well as we have, is that our TESTING is much bigger and better. We have tested 40,000,000 people. If we did 20,000,000 instead, Cases would be half, etc. NOT REPORTED!

Let's hope difference is partly because the Mueller investigation was largely political and their goal was to indict people and get them to plead guilty, implicate others and ultimately embarrass and delegitimize @realDonaldTrump
Durham is probably more interested in the truth.

For the 1/100th time, the reason we show so many Cases, compared to other countries that haven't done nearly as well as we have, is that our TESTING is much bigger and better. We have tested 40,000,000 people. If we did 20,000,000 instead, Cases would be half, etc. NOT REPORTED.

We should be putting America First!

For most of us it's WAY better than that.

Only 10% of the people this virus kills are in my age bracket. My risk, IF I get the virus (and what are those odds?), is only 1/10 of the overall mortality rate. That's tiny! And I'm older than most.

Biden trying to skip debates, is a clear admission he has a serious loss of mental function and it is getting worse.

The crooked media has corruptly covered up decades of Biden selling his office for millions.

Will they also coverup his mental disability?

of my possessions were taken including clothes, multiple computers, multiple phones, and many other things. I lost thousands of dollars worth of possessions.

I am facing two trumped up felony charges that are politically motivated and came directly from the President himself.

Donald Trump and the GOP have created a conspiracy where I am apparently the ringleader of a group that does not exist: Antifa. These politically motivated charges are a fabrication, and I am innocent and not the leader of the movement that was started in wake of the deaths of People of Color at the hands of law enforcement. This movement is and has always been a movement lead by BBIPOC youth across the nation who cannot leave their houses without fear of becoming the next George Floyd.

Unfortunately I am not able to replace my belongings and cover the legal fees needed to go up against the full force President Trump and his minions at the Justice Department. Please help me by donating to my legal defense fund

I will repeat this until it is understood.

Shutting down our country again & again until the coronavirus disappears will not do anything except cause economic despair & lead to more catastrophic long-term health problems down the line.

We can manage this without more lockdowns!

Two reasons to oppose lockdowns.

a) They impinge too severely on human freedoms and such curtailment must be constitutionally prohibited (like in Sweden;

b) There has never been any recommendation for lockdown in any epidemiological literature. This is a purely communist idea

You've got about 4 months of trusting the plan left...

If President Trump doesn't win re-election, everyone was played like a fiddle by these movements..

Durham, Barr, and Countless others will be REMOVED with extreme prejudice on day 1 of a Biden Administration.

A little Seth Rich Thread for your Sunday Afternoon, just some thoughts and facts in this Investigation... Let's look into Brad Bauman, Rod Wheeler, Detective Joey DellaCamera, and what we know is being said. #AmericaFirstMedia #SethRich #HisNameWasSethRich

In April of 2017, Detective Joey DellaCamera met in Private Investigator Rod Wheelers Maryland Office. DellaCamera made some very interesting statements that contradict what was said in an Audio Interview by DNC Crisis Fixer Brad Bauman. Who now speaks for the Rich Family.

"My investigation up to this point shows there was some degree of email exchange between Seth Rich and Wikileaks." "I do believe that the answers to who murdered Seth Rich sits on his computer on a shelf at the DC police or FBI headquarters." -Rod Wheeler

Matt Couch @RealMattCouch 13 Jan 2018

"My investigation shows someone within the DC government, Democratic National Committee or Clinton team, is blocking the murder investigation from going forward." Wheeler said. "That is unfortunately (sic), Seth Rich's murder is unsolved as a result of that." -Rod Wheeler

For most of us it s WAY better than that.

Only 10% of the people this virus kills are in my age bracket My risk, IF get the virus (and what are those odds?), is only 1/10 of the overal mortality rate. That s tiny! And m older than most.

Hon. Bill de Blasio, Mayor
City Hall
New York, NY 10007

RE: Street Mural, Women for America First

Dear Mayor de Blasio:

In light of New York City's decision to open Fifth Avenue as a public fora and permit a bright yellow "Black Lives Matter" mural to be painted on the street, I write on behalf of Women for America First to express our organization's interest in likewise painting a mural of our own.

Women for America First is a Virginia-based nonprofit that routinely holds events in New York City, has thousands of supporters nationwide, many of whom reside in New York City including myself, and consistently strives to promote the empowerment of women.

In light of your generosity in opening up historic Fifth Avenue as a public fora by allowing the Black Lives Matter organization to paint their motto, our organization, too, would like to paint a mural of our motto, "Engaging, Inspiring and Empowering Women to Make a Difference" on Fifth Avenue, or another similar street within the city's jurisdiction. In the event your Honor does not allow our organization to use Fifth Avenue, we propose painting our mural on FDR Drive outside Gracie's Mansion. Alternatively, we are amenable to painting our mural on 42nd Street near Times Square, or even City Hall Park should you prefer.

Regarding due concern, we would use the identical color paint and font as the Black Lives Matter Organization itself used such painting, and we further agree that the square footage used for our mural would be equal to the square footage used for the Black Lives Matter organization's mural.

Women for America First is cognizant that we will likely need local authorities to assist us in traffic diversion and parking restrictions while the painting is completed. Of course, we are amenable to completing the painting at any hour most convenient for your Honor and the City of New York.

Thank you for your time and consideration of our request during a time in which our message could not be more important for our nation. We look forward to your response within
